GSSA 2012 Coaches Brief

- ➤ Please send all scratches to Rhonda Farrington mst@farrington-berg.com by Thursday evening at 6pm. All teams will be asked to turn in scratch sheets by the times designated on the warm-up schedule.
- ➤ We ask that coaches be very aware of relay scratches as well, and submit these as early as possible.
- ➤ Relay names are due 45 minutes prior to the relay event. Changes must be placed with the Meet Manager at the table.
- ➤ Park in designated areas as directed by the attendants. DO NOT park on the street as you may be ticketed and/or towed.
- As RACO Pool has the ability to use 10 lanes, we reserve the right, after scratches, to reseed and, if needed to accommodate the timeline, to close the warm-up lanes and run events using all 10 lanes.
- ➤ Please be aware that we have limited parking spaces, plan your arrival on Saturday afternoon so that we have enough time to clear the parking areas from the morning session.
- > Due to space constraints, and to be fair to all teams, we will not be allowing tents to be set up on the pool deck. We will provide space in the fields for tents.
- ➤ ONLY Swimmers, Coaches, Officials and parents who are working the meet are allowed to be on deck. Individuals who violate this may risk their swimmer being disqualified.
- Every team is responsible for the behavior of their parents, workers and swimmers. Any damage to the facility or disruptive behavior will not be tolerated and is grounds for expulsion from the park and disqualification from the meet.
- ➤ Please do your best to police your area and clean up throughout the day. We will provide trash bags for all teams to help assist you with this.
