Timing System		MKS	MKS	MKS	MKS

Runner: Collects timing sheets from lanes and delivers them to computer desk after every 2 events, Checks with officials and delivers DQ slips to referee, and from referee to computer desk. Location: all over deck. Please check in with Referee and computer room

Lane Checker: makes sure swimmers are lined up in the correct order for each of the two lanes assigned. Location: between lanes at start end of pool. Please check in at Starter table.

Deck control: makes sure traffic is flowing in 1 direction, and that **only** athletes and coaches enter the competition area. **Entrance Gate** controls the number of athletes entering the competition area - not more than 1 event in advance and also ensures only authorized personnel are at the turn end of the pool (no spectators or athletes). **Bleachers** make sure only athletes and coaches are in the start area, and officials and pool staff only are in the awards area. Location: at pool exit/spectator entrance and near shallow end Please check in with computer room.

Results posting: takes the results from the computer desk and posts them on the outer wall. Also posts heat sheets for relays. Location: outside computer room. Please check in with computer room

Announcing: making all announcements to make meet run smoothly; 1st, 2nd, final call for each event, and other announcements as necessary. Location: next to kiddie pool. Please check in with computer room.

Awards: labeling awards and sorting for teams. Location: on picnic tables just outside computer room. Please check in with computer room.

Warm-Up Pool: monitor warm-up area for safety by making sure there are no more than **4** swimmers in the pool at a time, and swimmers are not fooling around. Please check in at Starter.

Event Number Board: post the current event number and on-deck event number on the changeable event number board. Location: corner of pool between lane 6 and deep end. Please check in with computer room.
